

Carlos Lyra, You Decide

You decide:
Is my love for you real?
Is this need that I feel
For the moment, or for forever?

You decide
From the look in my eyes,
From the tremble in my voice,
Is it true
That I'll leave you never?

If for a single second
You're in doubt,
I'll just go my way,
Never loving you less.

But you decide
If tomorrow will be
The beginning of me,
Of my life loving you.
My heart is in your hand,
Whatever you decide.
