

# Carlos Santana, I'm Feeling You

Sometimes I imagine the world without you  
But most time I'm just so happy that I ever found you  
Its a complicated web  
That you weave inside my head  
So much pleasure with such pain  
We always always stay the same

I'm feeling the way you cross my mind  
And you save me in the nick of time  
I'm riding the highs I'm digging the lows  
Cuz at least I feel alive  
I never faced so many emotional days  
But my life is good I'm feeling you  
I'm feeling you

You go and then I can finally breath in  
Cuz baby I know in the end you're never leaving  
Well we rarely ever sane  
I drive you crazy and you do the same  
But your fire fills my soul  
And it warms me up like no one knows

I'm feeling the way you cross my mind  
And you save me in the nick of time  
I'm riding the highs I'm digging the lows  
Cuz at least I feel alive  
I never faced so many emotional days  
But my life is good  
I'm feeling you  
I'm feeling you

I'm feeling the way you cross my mind  
And you save me in the nick of time  
I'm riding the highs I'm digging the lows  
Cuz at least I feel alive  
I never faced so many emotional days

Oh I'm feeling the way you cross my mind  
And you save me in the nick of time  
I'm riding the highs I'm digging the lows  
Cuz at least I feel alive  
I never faced so many emotional days  
But my life is good  
I'm feeling you  
I'm feeling you  
I'm feeling you  
I'm feeling you

Oh I'm feelin' the way that you cross my mind  
And the way that you save me in the nick of time  
Oh i'm feelin' the way when you walk on by  
I feel light, I feel love, I feel butterflies

I feel butterflies
