

# Carlos Santana, Love Of My Life

Where you are, that's where I wanna be  
Through your eyes are all the things I wanna see  
In the night you are my dream, you're everything to me

You're the love of my life and the breath in my prayers  
Take my hand and lead me there  
What I need is you here

I can't forget the taste of your mouth  
From your lips all the heavens pour out  
I can't forget when we are one  
With you alone I am free

Everyday, every night, you alone are the love of my life

We go dancing in the moonlight  
With the starlight in your eyes  
We go dancing till the sunrise  
You and me, we're gonna dance, dance, dance
