

Carlos Santana, Make Somebody Happy

Make somebody happy
Make somebody strong

Make somebody happy
Make somebody strong

Love me...Love me with all your heart
And I will..and I will..I will...
I will...I will
I will take care of you

Make somebody happy
Make somebody strong
Make somebody happy
Make somebody strong

Just you...just having you by my side
I will..and I will..and I will..I will...
I will..I will...
I will be satisfied

Make somebody happy
Make somebody strong

Make somebody happy
Make somebody strong

Repeat chorus and vamp out
