

Carlos Santana, Searchin'

Searchin, Im always searchin
Searchin for my beloved
Im gonna keep on searchin cause
I need your love, yea
Listen, my heart is callin
Longing to have you near me
Please believe me what Im sayin
is true
Every morning I wake up to you
Searchin, searchin, searchin,
searchin
Every night my thoughts return to
calling you
Lover, dont keep me waiting
You must hear what Im saying
Im gonna keep on searchin till I win
your love
I can almost hear her gentle voice
Searchin, searchin, searchin,
searchin
I can almost hear her smile of light
Searchin, searchin, searchin,
searchin
I can almost feel the love reach out
to me
