

# Carlos Santana, Well All Right

Well, All Right  
Petty, Alison, Holly, Mauldin

Well, all right so I'm being foolish  
Well, all right let people know  
About the dreams and wishes you wish  
In the night when the lights are low

Well, all right, well all right  
We'll live and love with all our might  
Well, all right, well all right  
Our lifetime love will be all right

Well, all right, so I'm going steady  
It's all right when people say  
That those foolish kids cant be ready  
For the love that comes their way

Well, all right, well all right  
We'll live and love with all our might  
Well, all right, well all right  
Our lifetime love will be all right  
Repeat last verse
