

Carlos Santana, Why Don't You And I

Since the moment I spotted you
Like walking round with little wings on my shoes
My stomachs filled with the butterflies and it's alright
Bouncing round from cloud to cloud
I got the feeling like I'm never going to come down
If I said I didn't like it then you know I'd lied

Pre-Chorus:

Every time I try to talk to you
I get tongue-tied, turns out
That everything I say to you
Comes out wrong and never comes out right

Chorus:

So I'll say why don't you and I get together
and take on the world and be together forever
Heads we will, tails we'll try again
So I say why don't you and I hold each other
and fly to the moon and straight on to heaven
Cause without you they're never gonna let me in
When's this fever going to break?
I think I've handled more than any man can take
And I'm like a love-sick puppy chasing you around
And it's alright

Bouncing round from cloud to cloud
I got the feeling like I'm never going to come down
If I said I didn't like it then you know I'd lied

Pre-Chorus:

Every time I try to talk to you
I get tongue-tied, turns out
That everything I say to you
Comes out wrong and never comes out right

Chorus:

So I'll say why don't you and I get together
and take on the world and be together forever
Heads we will, tails we'll try again
So I say why don't you and I hold each other
and fly to the moon and straight on to heaven
Cause without you they're never gonna let me in
And slowly I begin to realize this is never gonna end
Right about the same time you walk by
I say Oh here we go again ...oh

Pre-Chorus:

Every time I try to talk to you
I get tongue-tied, turns out
That everything I say to you
Comes out wrong and never comes out right

Chorus:

So I'll say why don't you and I get together
and take on the world and be together forever
Heads we will, tails we'll try again
So I say why don't you and I hold each other
and fly to the moon and straight on to heaven
Cause without you they're never gonna let me in.
(solo)...

So I'll say why don't you and I get together
and take on the world and be together forever
Heads we will, tails we'll try again
So I say why don't you and I hold each other
and fly to the moon and straight on to heaven
Cause without you they're never gonna let me in.
