

Carlos Santana, Winning

One day I was on the ground
When I needed a hand
And it couldn't be found
I was so far down
That I couldn't get up
You know and
One day I was one of life's losers
Even my friends were my ac-cus-ers
And in my head
Lost before I'd begun

I had a dream
But it turned to dust
What I thought was love
That must have been lust
I was living in style
When the walls fell in
When I played my hand
I looked like a joker
Turn around
Fate must have woke her
'Cause lady luck she was
Waiting outside the door

Chorus:

I'm winning
I'm winning
I'm winning
And I don't intend on losing again

Too bad it belonged to me
It was the wrong time
And I meant to be
It took a long time
And I knew for now
I can see the day
That I breath for
Friends agree there's a need
To play the game
And to win again

Chorus:
(repeat first line 5x's)
(repeat last line 4x's)

Repeat Verse II

Chorus:
(repeat first line 5x's)
