

Carly Binding, Alright With Me (Takin' It Easy)

(Ba ba ba da ba ba ba da da da)

(Ba ba ba da ba ba ba da da da)

(Ba ba ba da ba ba ba da da da)

(Ba ba ba da ba ba ba da da da)

You could say that I'm bound to change

I'm tellin' you it's all the same

Who will pay for whatever it takes

If neither one of us'll wear the blame

And there's nothin' wrong with me takin' it easy

Maybe I should fall into you

I'm takin' it easy

Chorus

If it's alright with you

There's nowhere I would rather be

And it's alright with me

I don't mind

I'm not over all the lettin' go

Should I turn around and wait for you

Every day is feeling low

Do I really have to pay the due

And there's nothin' wrong with me fallin' to pieces

Maybe I should fall into you

I'm takin' it easy

If it's alright with you

There's nowhere I would rather be

Cause it's alright with me

I don't mind the cold outside

If it's alright with you

There's nowhere I would rather be

And it's alright with me

I don't mind the cold

I'm takin' it easy, I'm takin' it easy

I'm takin' it easy, I'm takin' it easy

(Ba ba ba da ba ba ba da da da)

(Ba ba ba da ba ba ba da da da)

(Ba ba ba da ba ba ba da da da)

(Ba ba ba da ba ba ba da da da)

If it's alright with you

There's nowhere I would rather be

Cause it's alright with me

I don't mind the cold outside

If it's alright with you

There's nowhere I would rather be

Cause it's alright with me

I don't mind the cold

I'm takin' it easy, I'm takin' it easy

I'm takin' it easy, I'm takin' it easy

I'm takin' it easy, I'm takin' it easy

I'm takin' it easy, I'm takin' it easy
