

Carly Binding, We Kissed

Tell me the meaning of hypocrisy and superficial
Give me a reason cause I don't believe we do compare
Tell me a story of how you ought to love me
Livin' a dream of innocence without a care

Chorus

We kissed, he smiled
Said I could hold him for a little while (a little while)
He tripped, we cried
Beneath his trembling hands I lose my mind
Do me a favour, deny what happened that day
Makin' it easier to live with now instead
Blowin' a kiss for show, I know you won't forget me
Playin' along within destructive lines

We kissed, he smiled
Said I could hold him for a little while (a little while)
He tripped, we cried
Beneath his trembling hands I lose my mind
(Hey hey)

Now forget the time we
(Kissed hey)

You tremble still
(Hey hey)

Now forget the time we
(Kissed hey)

Tell me the meaning, you know you're superficial
Give me a reason
Give me a reason to compare

We kissed, he smiled
Said I could hold him for a little while (a little while)
He tripped, we cried
Beneath his trembling hands I lose my mind

We kissed, he smiled
Said I could hold him for a little while (a little while)
He tripped, we cried

Beneath his trembling hands (I lose my mind)
Said I could hold him for a little while, a little while
Said I could hold him for a little while, a little while
Beneath his trembling hands I lose my mind

We kissed, we smiled
Said I could hold him for a little while
