

# Carly Rae Jepsen, Bad Thing Twice

I don't remember  
I don't remember you  
I try not to go there  
I need a spotless mind

I was born in November  
You were born in a different moon  
The push and the pull there  
What do you want this time

Cross the rivers of my mind  
You're my little rock skipper  
Skipper, skipper, skipper

Every time I close my eyes  
You're my little heart hiccup  
Give it up give it up  
Yeah

Is it my  
Is it my destiny?  
I wanna do a bad thing twice

A critical  
Critical test to me  
I wanna do a bad thing twice

Can't stop feeling the rain before the thunder  
I thought it through and  
I wanna do a bad thing twice

Is it my  
Is it my destiny?  
I wanna do a bad thing twice

You were the king and I was a soldier babe  
I fought for your attention  
Fought for you lonely eyes

I had a vision I had to run away  
Let's play this thing over  
I wanna go back in time

Cross the rivers of my mind  
You're my little rock skipper  
Skipper, skipper, skipper

Every time I close my eyes  
You're my little heart hiccup  
Give it up  
Give it up  
Yeah

Is it my  
Is it my destiny?  
I wanna do a bad thing twice

A critical  
Critical test to me  
I wanna do a bad thing twice

Can't stop feeling the rain before the thunder  
I thought it through and  
I wanna do a bad thing twice

Is it my  
Is it my destiny?  
I wanna do a bad thing twice

Caught that fever  
I shouldn't be here  
Only got me to blame

Caught that fever  
I shouldn't be here  
Only got me to blame

Caught that fever  
I shouldn't be here  
Only got me to blame
