

# Carly Rae Jepsen, Joshua Tree

Running from the night  
I drove miles away to finally feel alone  
There's no moon in sight  
But the desert lights could lead the way back home

I'm in the moment  
Living undercover  
Painting on each other  
All the colors  
I can't get enough

California dreaming's  
Never what it seems but  
Here it comes  
I know what I must do now

I need it (da, da, da, da, da, da)  
I feel it (da, da, da, da, da, da)  
I see it (da, da, da, da, da, da)  
I know it (da, da, da, da, da, da)  
I own it (da, da, da, da, da, da)  
I show it (da, da, da, da, da, da)

Give me paradise  
I'll eclipse the stars and fall like once before  
I'm like Aphrodite  
And it's fine to only know the things I know

I'm in the moment  
Living undercover  
Painting on each other  
All the colors  
I can't get enough

California dreaming's  
Never what it seems but  
Here it comes  
I know what I must do now

I need it (da, da, da, da, da, da)  
I feel it (da, da, da, da, da, da)  
I see it (da, da, da, da, da, da)  
I know it (da, da, da, da, da, da)  
I own it (da, da, da, da, da, da)  
I show it (da, da, da, da, da, da)

I'm feeling dramatic  
I like the moon and the magic  
Of this  
Oh, I, Oh, I, Oh

I'm feeling dramatic  
I like the moon and the magic  
Of this  
Oh, I, Oh, I, Oh
