## Carly Simon, By Myself/I See Your Face Before N

Ill go my way by myself This is the end of romance Ill go my way by myself Love is only a dance

Ill face the unknown Ill build a world of my own No one knows better than I myself Im by myself alone

I see your face before me Clouding my every dream There is your face before me You are my only theme

It doesnt matter where you are I can see how fair you are I close my eyes and there you are Over me

If you could share the magic If you could see me too There would be nothing tragic In all my dreams of you

Would that my love could haunt you so Knowing I want you so I cant erase your beautiful face before me
