

Carly Simon, In The Still Of The Night

In the still of the night
I-I held you, held you tight
'Cause I love, love you so
Promise I'll never let you go
In the still of the night (in the still of the night)

I remember (I remember) that night in May (I remember)
The stars (I remember) were bright a-a-bo-o-o-ove (I remember)
I'll hope (I remember) and I'll pray (I remember)
To keep .. your prec..ious lo-o-o-o-o-ove

Well before the li-ight
Hold me again
With all of your might
In the still of the night (in the still of the night)

So before the li-ight
Hold me again
With all of your might
In the still of the night (in the still of the night)

In the still of the night
