

Carly Simon, Julie Through The Glass

(Carly Simon)

Julie through the glass
Lookin' up at me
You've just got to be
The sweetest thing I've ever seen.

Julie through the glass
Just born a day ago
And who knows where you've been
And where you're gonna go.

We want you to love the world
To know it well and play a part
And we'll help you to learn to love yourself
'Cause that's where loving really starts.

Julie through the glass
I'm looking forward to
Doing things with you
For many years to come.
