

# Carly Simon, Let It Snow

Oh, the weather outside is frightful  
But the fire is so delightful  
And since we've no place to go  
Let It Snow, Let It Snow, Let It Snow

It doesn't show signs of stopping  
And the temperature's really dropping  
The lights are turned way down low  
Let It Snow, Let It Snow, Let It Snow

When we finally kiss goodnight  
You'll have to go out in the storm  
But if you really hold me tight  
All the way home you'll be warm

Oh, the fire is slowly dying  
And, baby, we're still goodbying  
But as long as you love me so  
Let It Snow, Let It Snow, Let It Snow

Now when we finally kiss goodnight  
You'll have to go out in the storm  
But if you really hold me tight  
All the way home you'll be warm

Oh, the fire is slowly dying  
And, darling, we're still goodbying  
But as long as you love me so  
Let It Snow, Let It Snow, Let It Snow  
As long as you love me so  
Let It Snow, Let It Snow, Let It Snow
