

Carly Simon, Love Of My Life (Toots)

I love lilacs and avocados
Ukuleles and fireworks
And Woody Allen
And walking in the snow
But you've got to know

That you're the love of my life
You are the love of my life
You are the love of my life
You are the love of my life

From the moment I first saw you
The second that you were born
I knew that you were the love of my life
Quite simply the love of my life

I love Lucy and pumpernickel bread
The Statue Of Liberty
And standing ovations
And falling into bed
But get it through your head

That you're the love of my life
You are the love of my life
You are the love of my life
You are the love of my life

From the moment I first saw you
The second that you were born
I knew that you were the love of my life
Quite simply the love of my life

You can drive me crazy
You can drive me anywhere
Here are the keys
Just do as you please
It may not always be easy

But you're the love of my life
My heart is riding on a runaway train
You are the love of my life
Through all the pleasure and pain

From the moment I first saw you
I knew, I knew it right away
I knew that you were the love of my life
Simply the love of my life
You are the love
