

# Carly Simon, The Girl You Think You See

(Carly Simon/Jacob Brackman)

Tell me who you long for  
In your secret dreams  
Go on and tell me who you wish I was  
Instead of me

I'm not necessarily  
The girl you think you see  
Whoever you want is exactly who  
I'm more than willing to be  
I'll be carefree  
A Peace Corps trainee  
your Gypsy Rose Lee  
To please you

Who cares what I might be for real  
Underneath my games  
I'll let you chose from a thousand faces  
And a thousand names

I'm not necessarily  
the girl you think you see  
Whoever you want is exactly who  
I'm more than willing to be  
I'll be insane  
A mathematical brain  
You Tarzan, me Jane  
To please you

I'm not necessarily  
The girl you think you see  
Whoever you want is exactly who  
I'm more than willing to be  
I'll be a queen  
A foul-mouthed marine  
Your Mary Magdalene  
to please you
