

# Carly Simon, When You Close Your Eyes

(Carly Simon/Billy Mernit)

When you close your eyes do you see  
White lorelei, she's a dream  
She's not half as magic as she seems  
But she's so much fun to be with

When you close your eyes do you see  
Places that you've never seen  
Yet you've been there  
You've been walking on the edges of a dream  
And you're so much fun to be with

Big surprise, you've been informed you're not asleep  
Hard as you try you were never really meant to weep

When you close your door with a sign  
Do not disturb, are you disturbed to find  
That it's just as magic as it feels  
And you're so much fun to be with
