

Carnegie, Boy bands

Hey it's Justin Timberlake from NSYNC
Be good to your parents and don't drink
Don't do drugs
Don't mess with thugs
Shit how am I suppose to get that out of rug
My name is Chris Kilpatrick
No I don't I got no dick
Just wack ass hair
And I think I'm black
I hit ya with my Cadillac
JC
It's me
I be
Getting all of the ladies
Strangled to death by me
Yo I'm Lance
I gotta deep voice
Actually its high pitched and I love the Backstreet Boys
Slash to the throat and your dead oyyyyyyyyyy
Joey Fatone Junior
I guess soon or
Maybe C will spare me
I'm talent of the cool hair G
And thats why your ass just blew the fuck up
NSUCK, The Wackstreet Boys, 98 Disease
Get the fuck outta my way
If you do please
Soon your rise
Will begin to fall
Cause I'm about to kill you all
Nick Carter, genuine motherfucker
But seriously I do fuck my mom
She's pretty good in bed
She gives good head (EWWWW)
How bout some lead through that head to drip some red
Wowie! Its Howie! I'm not gay I just like Flowies
And men to suck on my zowie
Doesn't anything I say make sense I don't think so
But I don't know
It was suicide I swear I wouldn't push you from the building (HAHA)
A.J. McKlane
Is my name
I want to rap someday
But hey
I got no life anyway
Hit ya with that shit there shoulda seen it
Hi I'm Kevin, I'm married
My husband's name is Barry
I mean my wife
O fuck now they all know I'm gay
Well I guess I'm coming out today
Me n Brian cousins from Kentuck-ay
You fucking flamers go the fuck away
NSUCK, The Wackstreet Boys, 98 Disease
Get the fuck outta my way
If you do please
Soon your rise
Will begin to fall
Cause I'm about to kill you all
My name is Drew
Who are you?
Carnegie
O I've heard of you
O shit music sucks cuzza you

Hey I'm Nick Lachey
You killed my brother, mother, and Howie, my lover
Now I killed you whats ure point motherfucker
Justin
I don't even know my own last name
But you killed my boys Lachey
You too all in one day
Jeff Thats my name
Shit stop playing this game
C don't kill me the same
Damn that brother lame
NSUCK, The Wackstreet Boys, 98 Disease
Get the fuck outta my way
If you do please
Soon your rise
Will begin to fall
Cause I'm about to kill you all
