

Carola, Secret Love

I close my eyes and I imagine
That I'm holding you so close
But it's all just in my mind
Still you're the one that I always wanted
But I know it's make believe
That you'll ever be with me
Cause you belong to someone else I know
So you are my secret love
It's you I dream of
And sometimes I cry when I think of you
And I I need you so much
I long for your touch
But I know that you will always
Be my secret love
I wish that we could be together
But I know it's in my mind
And if I had you for a lifetime
There'd be no mountain we couldn't climb
So if I dream that me and you
Have a love that was so true
Do you believe in dreams come true I do
So you are my secret love...
I can never let you know I can never let it show
How I want you how I need you
I have to keep my secret safe
Cause it would be out of place
To try to make you mine, all mine
So if I dream that me and you
Have a love that was so true
Do you believe in dreams come true I do
So you are my secret love...
