

# Carole King, Bitter With The Sweet

Sometimes I'm tired and I wonder what's so all-fired important  
About being someplace at some time  
Oh, but I don't really mind  
'Cause I could be on East Street, and I know that  
You've got to take the bitter with the sweet

I guess it gets to everyone, you think you're not having any fun  
And you wonder what you're doing playing the games you play  
Hey, well, it's true what they say  
If you want to feel complete, don't you know that  
You've got to take the bitter with the sweet

A friend of mine once told me  
And I know he knows all about feelin' down  
He said everything good in life you've got to pay for  
But feelin' good is what you're paving the way for

So don't let it get you down, my friend, though it seems the blues will never end  
On this you can depend, they always do  
And I can tell you that it's true, it's a feeling that can't be beat  
And you've got to do it  
You've got to take the bitter with the sweet
