

# Carole King, I'd Like To Know You Better

I'd like to know you better  
There's so much about you I can see  
There's a love as good as gold in you  
I can feel it when I'm holding you  
I want to be your friend, your lover

I'd like to know you better  
Being with you feels so good to me  
In a world of distraught humanity  
You have brought me to my sanity

How lucky we are  
We seem to get along so well  
Whether or not we'll stay that way  
It's much too early to tell

But I'd like to know you better  
Though I already feel as if I do  
Meeting you has been so good for me  
And if only temporarily  
I want to be your friend, your lover

Yes, I'd like to know you better
