

# Carole King, I Don't Believe It

You're coming on strong now  
You think you're the one  
You think you're the one that can change all the seasons  
But you're giving me reasons not to believe it

I can hear everything you say  
Hey now - but what about the things that you do

You come on so sweetly  
You understand me completely  
And I don't believe it

Taking it lightly but it's not very likely  
That you'll ever find me, yeah  
Looking for you and the things that you do

You've got all the equipment and you know  
You're aware of the fact that the boys call you foxy  
But to me it's just lazy 'cause you don't really mean

You say that you're sincere  
Hey, but that ain't the same story I hear

You come on so sweetly  
You understand me completely  
But I don't believe it  
No, I don't believe it  
No, I don't believe it  
I don't believe it  
No, I don't believe it  
I don't believe it  
I don't believe it  
No, I don't believe it  
And I don't believe it  
I don't believe it  
Believe it  
Believe it
