

# Carole King, I Don't Know

I don't know if it's hot in Texas  
And I don't know if it's cold in Hell  
I don't know if God is watching  
I just know that I love you

People say, bad man's gonna getcha  
Trade my shoes for a simple soul  
Throw away your burnt sienna  
'Cause I just know that I love you

Sticks and stones get gone in a hurry  
Jack say, Jill, you never looked so fine  
Dancing on Boardwalk, what me worry  
As long as I know you're mine, all mine all mine, all mine  
You're mine

I don't know, I don't know  
I don't know, I don't know

And if everybody had someone to care about  
What a world, what a world  
What a wonderful, wonderful world this would be

I don't care who's in the World Series  
Or who does what in their own bedroom  
News is blues and it doesn't really matter  
I just know that, just know that I love you

I don't know, I don't know  
I don't know, I don't know  
I don't know, I don't know  
I don't know, I don't know  
I just know that I love you
