

Carole King, Some Kind Of Wonderful

All you have to do is touch my hand
To show me you understand
And something happens to me
That's some kind of wonderful
Any time my little world is blue
I just have to look at you
And everything seems to be
Some kind of wonderful

I know I can't express
This feeling of tenderness
There's so much I want to say
But the right words just don't come my way
I just know when I'm in your embrace
This world is a happy place
And something happens to me
That's some kind of wonderful

I know I can't express
This feeling of tenderness
There's so much I want to say
But the right words just don't come my way
I just know when I'm in your embrace
This world is a happy place
And something happens to me
That's some kind of wonderful

Some kind of wonderful
Some kind of wonderful
Wonderful, wonderful, wonderful
Some kind of wonderful
Some kind of wonderful
