

# Carolina Liar, I'm Not Over

[ENG]

Lyrics to I'm Not Over :

what a waste of time  
the thought crossed my mind  
but i never missed a beat  
cant explain the who or what i was  
trying to believe  
what would you do  
what would you do  
do you know  
i once had a grip on everything  
it feels better to let go  
i'm not over  
i'm not over you just yet  
can not hide it  
you're not that easy to forget  
i'm not over  
never took the chance  
could have jumped the fence  
i was scared of my own two feet  
could have crossed the line  
it was black and white  
no contrast to be seen  
what would you do  
what would you do  
do you know  
was it all a joke  
never had control  
i'm not better on my own  
i'm not over  
i'm not over you just get  
can not hide it  
you're not that easy to forget  
i'm not over  
what a waste of time  
the thought crossed my mind  
cant explian this thing or what i mean  
im trying to let go  
i'm not over  
i'm not over you just get  
can not hide it  
you're not that easy to forget  
i'm not over  
i'm not over  
i'm not over you just get  
can not hide it  
you're not that easy to forget  
i'm not over
