Carolina Lost, Beautiful World

Here it comes in the morning I'm just trying to forget Keep it real, keep it simple And somehow just get out of bed And this city is endless I'm as cold as it?s stone Yeah this city is endless And I'm, I'm walking alone **CHORUS** Sunlight creeps in between the curtains Lose the sheets there's no time for sleep I lie, I pretend 'til I'm almost certain It's a beautiful world I wanna ask for direction But I don't dare to disturb I got a thing with affections Yeah, that's why I'm walking alone **CHORUS** Sunlight creeps in between the curtains Lose the sheets there's no time for sleep I lie, I pretend 'til I'm almost certain It's a beautiful world Here it comes in the morning? **CHORUS** Sunlight creeps in between the curtains Lose the sheets there's no time for sleep I lie, I pretend 'til I'm almost certain It's a beautiful world (Yeah, it's a beautiful world) la la la la I pretend ?til I?m almost certain It?s a beautiful world
