

# CAROLINE, Have My Cake and Eat It Too

I see your name light up on my phone but I don't answer  
Cause the second I do I know that my heart is in danger

Oh woah  
This anxiety is killing me  
Oh woah  
When you're with me lose part of me

I still roll the dice  
Take another slice  
But when it comes to you and I

We're sugar crashing  
Too many lows between the highs  
And when I'm laughing it's only cause I'm bout to cry  
Yeah, I wish I could love myself and love you too  
Yeah, I wish I could have my cake and eat it too

Oooo  
Ahooh

Yeah I got a playlist that makes us sound so romantic  
Pretend that it's sweet so I'm not tasting all the tragic

Oh woah  
This anxiety is killing me  
Oh woah  
So full of nervous energy

I still roll the dice  
Take another slice  
But when it comes to you and I

We're sugar crashing  
Too many lows between the highs  
And when I'm laughing it's only cause I'm bout to cry  
Yeah, I wish I could love myself and love you too  
Yeah, I wish I could have my cake and eat it too

Oooo  
Ahooh  
Yeah, I wish I could love myself and love you too  
Yeah, I wish I could have my cake and eat it too
