

Carpark North, Run

Watch
my tail
As my tail will stinch you
I stay
while we
are bleeding

Those
wet eyes
Do they mean its over
a sea
for us
to drown in

Step out
and walk
away
From the shadows we can't save
At all

RUN
DON'T BELONG
JUST HANG ON
JUST BE STRONG
RUN
JUST HANG ON
AND BE STRONG

Watch
your self
'cause I might
just breake everything
That we are building

See
the tears
and the lines they're tracing
I give
my breath
to dry them

Step out
and walk
away
From the shadows we can't save
At all

RUN
DON'T BELONG
JUST HANG ON
JUST BE STRONG
RUN
JUST HANG ON
AND BE STRONG

Far more stronger
Reaching longer
As we keep running

RUN
DON'T BELONG
JUST HANG ON
JUST BE STRONG
RUN

JUST HANG ON
AND BE STRONG
