

Carpark North, Transparent And Glasslike

Stop the clocks
Stop the cars
Tell your dad
At the plant
To come home

Do not smile
Do not sing
Close your eyes
And go to bed

I forgive
I pretend
Not to smile
'Cause I am
Stronger than you
You're transparent and glasslike

Stop your mind
Stop your heart
Tell your girl
Not to come home

I forgive
I pretend
Not to smile
'Cause I am
Stronger than you
You're transparent and glasslike
