

# Carpathian Forest, Cloak Of Midnight

The trail I walk is haunted  
By his blinding light  
Somewhere  
Down there  
For eternities undefeated  
Unwanted  
Untouched  
The evil incarnate  
The cloak of midnight  
Screams are strong  
Around the oppressed  
Like a blizzard  
Like a whirlwind  
Like the long lost divinity!  
It falls heavy like a stone  
I am what I am  
Spill the blood one more time  
The trail I walk is haunted  
By his blinding light  
Cloak of midnight
