

Carpathian Forest, Everyday I Must Suffer

Unholy blood has been offered
(and) again I tap my Vein
My blood is eternally yours
I will give my life to you!!!
Everyday I must SUFFER
FUCK OFF and let me bleed...
"..I laugh and spit at your mortality
Because I know there is NO heaven.."
As Violent Hellstorm returns
The cold Winds of Madness from the Dark human Abyss
Kill all meaningless Icons..
(Be) Condemned to Hell..
