

# Carpathian Forest, Evil Egocentric Existentialis

I vomit on your compassion

Cause, there is NO salvation

This is MAXIMUM fucking HELL!!!!

..(and) Time has showed NO mercy on me...

Understandable, I feel the cold, I feel the Hatred..

In the vast songs of your meaningless death... (Din Tulling)

(And) time has showed NO mercy on me... (for Faen)

Let us ALL Burn!!

I'm going down... .. .
