

Carrie Underwood, Get Out Of This Town

Got it all figured out inside of my head
There's a bag packed up at the foot of my bed
You say the word, baby I'm all set
We'll cover our tracks, tell a couple white lies
Make sure we got a good alibi
And by the time they catch on, we'll be outta their sight
Long gone, baby

Let's get out of this town tonight
Nothing but dust in the shadows
Gone by morning light
Somewhere we won't ever get caught, ever be found
Baby, let's just get out of this town

Don't need directions, don't need a map
If we get lost I'll be good with that
Yeah we'll find a way to make the time pass
Window rolled down with the heat on high
Stars all aligned in a runaway sky
Holding my hand as the miles roll by
Long gone, baby

Let's get out of this town tonight
Nothing but dust in the shadows
Gone by morning light
Somewhere we won't ever get caught, ever be found
Baby, let's just get out of this town

If we leave tonight and drive fast enough
All of our troubles will be just like us
Long gone, baby

Let's get out of this town tonight
Nothing but dust in the shadows
Gone by morning light
Somewhere we won't ever get caught, ever be found
Yeah, let's just get out of this town
Let's get out of this town tonight
Yeah, we won't ever get caught, ever be found
Baby, let's just get out of this town
