

Carrie Underwood, Hello Young Lovers

Hello young lovers
Who ever you are
I hope your troubles are few
All my good wishes go with you tonight
I've been in love like you

I know how it feels
To have wings on your heels
And to fly down the street in a trance

You'll fly down the street
On the chance that you'll meet
And you'll meet
Not really by chance

Don't cry young lovers
What ever you do
Dont cry because Im alone
All of my memories are happy tonight
Ive had a love of my own

Ive had a love of my own, like yours
Ive had a love of my own
