

Carrie Underwood, I'll Stand By You

[Originally performed by The Pretenders]

Oh why you look so sad
The tears are in your eyes
Come on and come to me now
Dont be ashamed to cry
Let me see you through
Cause Ive seen the dark side too

When the night falls on you
You don't know what to do
Nothing you confess
Could make me love you less

Ill stand by you
Ill stand by you
Wont let nobody hurt you
Ill stand by you

So if you're mad get mad
Dont hold it all inside
Come on and talk to me now
Hey, what you got to hide
I get angry too
Well Im a lot like you

When you're standing at the crossroads
And don't know which path to choose
Let me come along
Cause even if you're wrong

Ill stand by you
Ill stand by you
Wont let nobody hurt you
Ill stand by you
Take me in into you darkest hour
And Ill never desert you
Ill stand by you

And when, when the night falls on you, baby
You feeling all alone
You won't be on your own

Ill stand by you
Ill stand by you
Wont let nobody hurt you
Ill stand by you
Take me in into you darkest hour
And Ill never desert you
Ill stand by you

Oh Ill stand by you
Ill stand by you
