

Carrie Underwood, Love Wins

a stray bullet and a momma cries
her baby won't be coming home tonight
sirens screaming down the avenue
just another story on the evening news
politics and prejudice
how the hell it'd ever come to this
when everybody's gotta pick a side
it don't matter if you're wrong or right
no and so it goes
but I hold onto hope and I won't let go cause

I, I believe you and me are sisters and brothers
and I, I believe we're made to be here for each other
and we'll never fall if we walk hand in hand
put a world that seems broken together again
I believe in the end love wins

Something it takes a lot of faith
to keep believing there will come a day
when the tears and the sadness
the pain and the hate
the struggle, this madness
will all fade away

I, I believe you and me are sisters and brothers
and I, I believe we're made to be here for each other
and we'll never fall if we walk hand in hand
put a world that seems broken together again
I believe in the end love wins

love is power,
love is a smile
love reach out
love is the remedy
love is the answer
love's an open door
love is the only thing worth fighting for

I, I believe you and me are sisters and brothers
and I, I believe we're made to be here for each other
and we'll never fall if we walk hand in hand
put a world that seems broken together again
I believe in the end love wins
