## Carrie Underwood, Love Wins

a stray bullet and a momma cries her baby won't be coming home tonight sirens screaming down the avenue just another story on the evening news politics and prejudice how the hell it'd ever come to this when everybody's gotta pick a side it don't matter if you're wrong or right no and so it goeas but I hold onto hope and I won't let go cause

I, I believe you and me are sisters and brothers and I, I believe we're made to be here for each other and we'll never fall if we walk hand in hand put a world that seems broken together again I believe in the end love wins

Something it takes a lot of faith to keep beliving there will come a day when the tears and the sadness the pain and the hate the struggle, this madness will al fade away

I, I believe you and me are sisters and brothers and I, I believe we're made to be here for each other and we'll never fall if we walk hand in hand put a world that seems broken together again I believe in the end love wins

love is power,
love is a smile
love reach out
love is the remedy
love is the answer
love's an open door
love is the only thing worth fighting for

I, I believe you and me are sisters and brothers and I, I believe we're made to be here for each other and we'll never fall if we walk hand in hand put a world that seems broken together again I believe in the end love wins
