

# Carrie Underwood, Stars With Goodbye

I was sitting on my doorstep,  
I hung up the phone and it fell out of my hand,  
But I knew I had to do it,  
And he wouldn't understand,  
So hard to see myself without him,  
I felt a piece of my heart break,  
But when you're standing there across the road,  
There's a choice you gotta make.

CHORUS:

I guess it's gonna have to hurt,  
I guess I'm gonna have to cry,  
And let go of some things I've loved,  
To get to the other side,  
I guess it's gonna bring me down,  
The only way you try to find,  
Moving on with the rest of your life,  
Start to wave goodbye.  
I know there's a blue horizon,  
Somewhere up ahead, just waiting for me,  
Getting there means leaving things behind,  
Sometimes life's so bitter sweet.

CHORUS:

I guess it's gonna have to hurt,  
I guess I'm gonna have to cry,  
The night goes on, and some things that I'll have,  
To give to the other side,  
I guess it's gonna bring me down,  
The only way you try to find,  
Moving on with the rest of your life,  
Start to wave goodbye.  
Time, time heals,  
The wounds that you feel,  
Somehow, right now.

CHORUS:

I guess it's gonna have to hurt,  
I guess I'm gonna have to cry,  
And let go of some things I've loved,  
To get to the other side,  
I guess it's gonna bring me down,  
The only way you try to find,  
Moving on with the rest of your life,  
Start to wave goodbye,  
I guess I'm gonna have to cry,  
And let go of some things I've loved,  
To get to the other side,  
Start to wave goodbye,  
The only way you try to find,  
Moving on with the rest of your life,  
Start to wave goodbye,  
Na na na na na na.
