

Carrie Underwood, The More Boys I Meet

This boy here wants to move too fast
He see's my future as having a past
Well, I don't think so
I don't think so

That boy there, well he's playing a fool
He thinks he's funny and he thinks he's cool
We'll I don't think so
I don't think so

Cheap date, bad taste of nothing like gone to waste
Talking about nothing in so many words
It's not like I'm not trying
'Cause I'll give anyone a shot once

And, I , I close my eyes
And, I kiss that frog
Each time finding
The more boys I meet the more I love my dog

Here's this guy, thinks he's bad to the bone
He wants to pick me up and take me home
Well, I don't think so
I don't think so

Cage fights, PlayStation, X-Games rated nation
Oversize pants with an ego to match
It's not like I'm not trying
'Cause I'll give anyone a shot once

And, I, I close my eyes
And, I kiss that frog
Each time finding
The more boys I meet the more I love my dog

Why can't they be like the one's that mean everything to me
Warm and loyal, open and friendly
It's not like I'm not trying
'Cause I'll give anyone a shot once

I close my eyes
And, I kiss that frog
Each time finding
The more boys I meet the more I love my

I close my eyes
And, I kiss that frog
Each time finding
The more boys I meet the more I love my dog

The more I love my dog
