

Carrie Underwood, When Will I Be Loved

I've been cheated and mistreated
When will I be loved

I've been put down and I've been pushed 'round
So when will I be loved

When I find a new man
That I want for life
It always breaks my heart in two
It happens everytime

I've been made blue and I've been lied to
So when will I be loved

Baby, when will I be loved
When will I be loved

Baby, when will I be loved
So Tell me, When will I be loved
