## Carrie Underwood, When Will I Be Loved

I've been cheated and mistreated When will I be loved

I've been put down and I've been pushed 'round So when will I be loved

When I find a new man That I want for life It always breaks my heart in two It happens everytime

I've been made blue and I've been lied to So when will I be loved

Baby, when will I be loved When will I be loved

Baby, when will I be loved So Tell me, When will I be loved
