

# Cartel, If You Do, If You Don't

Let's get out  
Let's get out of here  
I'll go it alone if I have to, but I need you there  
And I'm honest with nobody else  
Whether or not I make it there is will itself  
And I'm honest with only myself  
How I can't afford to lose you now, not in this hell  
But I'll stay with you

I'm a mess, a total wreck  
A poor excuse without you near to keep me in check  
So take me out, and take me anywhere  
I'm out of touch with everything and I don't care  
So I must be out of my mind  
And all that I have to give to you is all my time  
So I'll stay with you

We'll stay over and over  
And baby I'm a waste of time
