

Cartel, No Subject (Come With Me)

Is it me or is it all of us?
Are we dull or glorious?
Am i on the way down
Or is this the same thing twice?
Oh, this feels so nice

Come with me, maybe we'll get away
Come and see, baby, is better when you...
Come with me, maybe we'll get away
Come and see, baby, is better this way

Oh oh, baby, its better this way

Well, is this real or is this insanity?
Or is fate or is it clarity?
Am i on the way down
Or is this the same thing twice?
Oh, this feels so nice

Come with me, maybe we'll get away
Come and see, baby is better when you...
Come with me, maybe we'll get away
Come and see, baby is better this way

We can say this and even out
We're waiting on a ride home
If you could make me feel at home,
Maybe we can go there, can we go there?

Come with me, maybe we'll get away
Come and see, baby is better when you...
Come with me, maybe we'll get away
Come and see, baby it's better this way
It's better this way
