

# Cartel, Wonderwall (Oasis cover)

Today was gonna be the day  
That they're gonna throw it back to you  
By now you should've somehow  
Realized what you not to do  
I don't believe that anybody  
Feels the way I do about you now  
Backbeat the word is on the street  
That the fire in your heart is out  
I'm sure you've heard it all before  
But you never really had a doubt  
And I don't believe that anybody feels  
The way I do about you now  
And all the roads we have to walk along are winding  
And all the lights that lead us there are blinding  
There are many things that I would  
Like to say to you  
But I don't know how  
So I said maybe  
You're gonna be the one who saves me?  
And after all  
You're my wonderwall  
Today was gonna be the day  
But they'll never throw it back to you  
By now you should've somehow  
Realized what you're not to do  
I don't believe that anybody  
Feels the way I do about you now  
And all the roads we had to walk are winding  
And all the lights that lead us there are blinding  
There are many things that I would like to say to you  
I don't know how  
So I said maybe  
You're gonna be the one that saves me?  
And after all...  
You're my wonderwall  
So I said maybe  
You're gonna be the one who saves me?  
And after all...  
You're my wonderwall  
So I said maybe  
You're gonna be the one who saves me?  
And after all...  
You're my wonderwall  
Said maybe  
You're gonna be the one that saves me  
You're gonna be the one that saves me  
You're gonna be the one that saves me
