

# Cary Brothers, Blue Eyes

Wish enough, wise man'll tell you a lie  
Window broke, torn up screens  
Who'd have thought that you'd dream  
Of a single tragic scene

I just wanna sing a song with you  
I just want to take it off of you

Cause Blue Eyes  
You are all that I need  
Cause Blue Eyes  
You're the sweet to my mean

Fess it up, dot on the palm of your hand  
I can help you to stand  
Saved it up for this dance  
Tell me all the things you can

I just wanna sing a song with you  
I just wanna be the one that's true

Cause Blue Eyes  
You're the secret I keep  
Cause Blue Eyes

All the lights on and you are alive  
But you can't point the way to your heart  
So sublime, when the stars are aligned  
But you don't know  
You don't know the greatness you are

Cause Blue Eyes  
You are destiny's scene  
Cause Blue Eyes  
I just wanna be the one

I just wanna sing a song with you  
I just wanna get it on with you

Cause Blue Eyes  
You're the secret I keep  
Cause Blue Eyes  
I just wanna sing a song with you  
I just wanna sing a song with you  
I just wanna sing a song with you
