Cascada, 7 Years And 50 Days

7 years and 50 days, the time is passing by Nothing in this world can be as nice as you and I And how could we break up like this? And how could we be wrong? So many years, so many days and I still sing my song

Now I run to you like I always do When I close my eyes I think of you Such a lonely girl Such a lonely world When I close my eyes I dream

I return to you like I always do When I close my eyes I think of you Such a lonely girl Such a lonely world When I close my eyes I dream Of you

7 years and 50 days, now just look at me Am I the girl I use to be So damn what do you see? And how could we break up like this? And how could we be wrong? So many years, so many days and I still sing my song

Now I run to you like I always do When I close my eyes I think of you Such a lonely girl Such a lonely world When I close my eyes I dream

I return to you like I always do When I close my eyes I think of you Such a lonely girl Such a lonely world When I close my eyes I dream Of you
