Cascada, Angel of my shoulder

Got an angel on my shoulder Got a penny in my pocket And I found four-leaf clover And I put it in my locket Wished on all the stars above me And I caught the nearest rainbow Gonna find someone to love me Gonna find someone to love Well I tossed a lot o' nickels in a wishing well And saved the fortunes that the fortune cookies tell I've got a lucky penny and a mustard seed But a warm and tender love is all I need And I want a love that lingers And is stronger through and through So I'm gonna cross my fingers That I find a boy to love me true And I'm gonna love him too And I'm gonna love him too
