

# Cascada, Love You Promised

cascada - love you promise

if i can only see  
that your love for me is not forever  
then i will always be free  
from these chains of love you bind me to  
oh baby baby please  
wont you save your kisses for another  
'cause i won't be a fool  
for the love you promise  
but won't deliver

i'm just a simple girl  
who is hooked to your sweet charm

but the love you promise will never be here in my arms

oh baby baby please  
wont you leave me all alone now honey  
here's my one last kiss  
if you can't make up your mind now it's good bye

i'm just a simple girl  
who is hooked to your sweet charm  
but the love you promise will never be here in my arms
